

Journal of Pediatric Infection

Çocuk Enfeksiyon Dergisi

Official Journal of the Pediatric Infectious Diseases Society / Çocuk Enfeksiyon Hastalıkları Derneği'nin yayın organıdır

Preface

We present you the fourth issue of the year 2013 of The *Journal of Pediatric Infection*, the official publication organ of the Association of Pediatric Infectious Diseases.

The *Journal of Pediatric Infection* have begun to be indexed in several international databases, and is currently being indexed in EMBASE, SCOPUS, CINAHL, Gale/Cengage Learning, Global Health, CAB Abstracts, EBSCO, Index Copernicus, DOAJ, ProQuest, TÜBİTAK/ULAKBİM Turkish Medical Database and Türkiye Citation Index. Our journal implements online submission system. Submitted manuscripts are rapidly reviewed. The author is informed about acceptance for publication within approximately two months. Henceforward, the name of our journal will only be used as *Journal of Pediatric Infection (J Pediatr Inf)* to avoid any possible confusions with international databases and citations. I hope you will like the new updated webpage of our Journal which has been online since August 1, 2013. All issues of our journal, including the previous ones, are available at www.cocukenfeksiyon.org or www.jpediatrinf.org, free of charge. It is adequate to visit www.cocukenfeksiyon.org or www.jpediatrinf.org for communication and information about our association.

The *Journal of Pediatric Infection* is presented to you in order to contribute to the knowledge in either investigational or institutional and practical subjects, through its specific contents such as reviews, original articles, case reports, what is your diagnosis, routines, question/answers, abstracts from the literature and memento. Furthermore, you can share your scientific and general opinions about the journal and the published articles, in the section of "Letter to the editor". Your review, opinion, aspect, experience and contributions presented in this section are among the most important issues that enriches our journal.

Likewise, this issue of our journal involves your miscellaneous opinion and experiences in the section of "Letter to the editor". Colleagues who would like to subscribe and receive issues on regular basis can contact the secretary.

With our best wishes,

Mehmet Ceyhan, MD,
President, Society of Pediatric Infectious Diseases

Mustafa Hacımustafaoğlu, MD,
Editor, Journal of Pediatric Infection
